WORK

Freelance Designer
Creative/Graphic Designer (2024-present)
Currently working as a freelance designer delivering independent projects primarily in branding, editorial, video and social media.

miMed Clinics
Creative/Graphic Designer (2019-2024)
Worked on branding, editorial, instructional, motion graphics, and video editing. Created concepts that became real campaigns and products. Collaborated with teams and agencies, but often worked as the sole designer. Developed strong skills in multitasking, communication, and meeting tight deadlines.

RFF Lawyers
Internship in Multimedia and Design (2017)
Created visual content for presentations, newsletters, and social media. Assisted with video production, events, and promotional materials. Gained experience working across departments and strengthened my adaptability and communication skills in a corporate setting.
